

PEMERIKSAAN PRODUK INDUSTRI DAN KONSUMEN

SBU INDUSTRIAL AND CONSUMER PRODUCT

PRODUK KONSUMEN

SUCOFINDO dapat membantu pembeli, importer maupun pengecer produk konsumen untuk mengurangi resiko akibat mutu yang tidak sesuai, kesalahan merk dan kemasan barang yang dibelinya melalui: pengambilan contoh, pemeriksaan kuantitas kualitas, pengawasan pemuatan pembongkaran, evaluasi pabrik, pengujian fungsi barang dan pemeriksaan secara visual.

CONSUMER PRODUCT

SUCOFINDO can help the buyers, importers and retailers of consumers products to reduce the risk of improper quality, mistaken marking and packaging as well as the risk of delay in delivery of commodities through the following activities: Sampling, quality inspection, loading-discharge supervision, factory evaluation, functioning testing and visual inspection.

PRODUK INDUSTRI

Jasa SUCOFINDO memberikan rasa aman kepada pelanggan karena kesesuaian kuantitas, kualitas dan penyerahan produk industri terhadap standar yang digunakan dapat lebih dipastikan pemenuhannya, meliputi: pengambilan contoh dan analisis, pengawasan pemuatan - pembongkaran - penimbangan - penerimaan - penyerahan - pemeriksaan kerusakan - draught survey, dll.

INDUSTRIAL PRODUCT

SUCOFINDO services provide security for client as conformity product quantity, quality and delivery to the applied standards which is exactly applied, such as: sampling and analysis, supervision of loading-discharging-weighing-receiving-delivering, damage checking, draught checking, etc.

JASA PEMERIKSAAN PASOKAN DAN RITEL MAKANAN

Tuntutan konsumen semakin tinggi akan produk yang mampu memenuhi syarat-syarat keamanan dan higienisitas, konsistensi mutu dan nilai jual produk. SUCOFINDO membantu mengatasi resiko ini melalui sertifikasi HACCP, audit gerai & mata rantai pasokan makanan, pelatihan keamanan pangan, evaluasi pabrik dan pemeriksaan laboratories.

INSPECTION SERVICES ON FOOD RETAIL AND SUPPLY

Consumers demands for food products with high degree of hygiene and safety as well as consistent quality and product selling value will always require that SUCOFINDO is committed to managing risks with HACCP certification. They will audit the food suppliers and the food outlets by inspecting the food hygiene and sanitation, by evaluating the food safety training, and by the evaluation of the factories and laboratories in general.
